Dedication

TO NOTHING HIGHER than high school memories do we dedicate our 1945 Treasure Chest.

From the many letters received from our alumni in the armed forces all over the world—and high school graduates are fighting this war—it becomes increasingly

evident that some of their most cherished thoughts are of high school days in the past. Their school spirit will never be for a college — for these days of conflict are their college.

If this annual can recall but one old friend or one happy incident, our Treasure Chest of memories will have fulfilled the purpose to which it has been dedicated.

A tapping ceremony is held each semester and old members pass through a student body audience to "tap" newly elected members.

The official emblem of the organization is a gold pin, in the center of which is a torch. At the base of the torch are the letters C. S. L. S., which stand for the membership requirements.

New Members Chosen

First row: Sanborn, Nelson, Elmquist, Hoyt, Fry, Fuoco, B. Bell, Roestel, Rodolph, Carlson, Jones; second row, Reasoner, Garske, Barton, Simonsen, Sheets, Spear, V. The Junior Red Cross committee meets with a city-wide group each month.

Some of the projects carried on during the first semester were holiday nut cups, stuffed animals, game bags, bed jackets, joke books, and story books.

A LITTLE KNOWN organization is one of Rogers' most hard working groups. The stage crew has helped make this past year's convocations, plays and performances a success by their work back stage.

With Mr. Hegre as adviser, this group consists of Don Cooney, manager; Jack Cooney, electrician; Bill Miller, public address; Earl Miller, flyman; and Joanne Spangle, who handles the curtain.

For their work in school activities, including English III recordings and playing records for cafeteria dances, crew members receive one-fourth of a credit per semester and a letter after completing a required amount of work.

Pirate Coaching Staff

First row: MacGown, Ellingsen, Mooberry, Moore, Grafious; second row, Black, Mills, Sleizer.

MENTORED BY COACH ELLINGSEN, the grid team tallied its third straight football championship by sharing the winner's circle with Gonzaga.

This year, Wally Mills, basketball coach, led the Pirate five to Rogers' first city championship.

Considered one of the state's finest track coaches, Jack Mooberry has kept his cindermen near the top for many seasons with Paul MacGowan as assistant.

Emphasizing fundamentals, Coach Wayne Black has shown the way to several baseball crowns for Pirate nines.

Freshman coaches were: football, Moore; basketball, Sleizer; baseball, Moore. The tennis team has been directed by Louis Grafious for the past two years.

Football Champions

BY DEFEATING Gonzaga in a Turkey day thriller the Pirate gridders avenged their only defeat of the season and won a moral, if not actual, championship over the Gonzaga Bullpups. The game was played between the two leading teams in the city, not as a playoff but as an exhibition.

Thus ended another successful season for Coach "Tuffy" Ellingsen and his Pirate charges. After starting out with a team not given much more than a chance for a third place, the Bucs ended their season with seven wins against one loss, including the game with undefeated Yakima. There were no regular starters from the previous season, although nine lettermen returned. With the material at hand Coach Ellingsen began shaping his team.

Credit should go to Dale Moffatt, who suffered a broken collar bone in the second North Central game. Honorable mention should also go to Daryle Chapman, first rate tackle, who was awarded the "Bland Medal" by popular vote of the entire squad. This is the highest honor that can be given to any Rogers athlete and was well earned by Chapman. More credit to Bill Lowther, who was selected by the team as the honorary captain, another high honor.

The past three years have indeed been honor years for the Rogers Pirates, who have won three championships each year. Yet looking into the future, one cannot help but predict other great teams, victories and players. For although there were no truly outstanding players on the team, fine teamwork enabled the Bucs to place five players on the all-city first team.

Merry-Go-Round

Opening the season with a fresh squad, Rogers took third place honors in the annual Merry-Go-Round. Suffering from a 7-0 defeat by Gonzaga in the first quarter, the Bucs regained their confidence by walking over Lewis and Clark 12-0 in the third.

☆ ☆

Rogers 26, L. C. 0

Playing a good brand of offensive ball, the Pirate eleven won its first official league game by dumping the South-siders 26-0 under the lights at Gonzaga. The Bucs held mainly to rushing, only taking to an air attack when badly needed.

☆ ☆

Rogers 13, Gonzaga 0

Facing an overconfident Gonzaga team, the Pirates won their third straight game 13-0 in the last fray under the lights. The Bucs held the upper hand most of the four quarters, with Gonzaga threatening only once.

☆ ☆

Rogers 14, N. C. 6

Coming from behind after a quick North Central touchdown, the Pirates finally won 14-6 from a strong Indian team. Unable to break the N. C. defense, Rogers had to fall back on passing and deceptive play.

☆ ☆

Gonzaga 18, Rogers 13

Suffering their first defeat of the season, the Pirates bowed to Gonzaga 18 to 13 on the Rogers' playfield. Starting slowly, the Bucs did not show their full ability until the second half when two touchdowns were scored.

First row: Johnson, Chapman, Adams, Allen, Lowther, Breeden, Lewis, McDonald; second row, E. Brown, Hoover, Disciascio, Penna, Priano, Poffenroth, Caprye, Goforth, Hathaway, Forseh; third row, Lentes, Newcomb, Warner, Cook, Voegel, Hinz, Carpenter, Shiosaki, Lemon, Gulusis; fourth row, Armitage, Julian, Knorr, Herman, Strong, Williams, Quick, Hirabayashi, Coplen, Christenson; fifth row, Bradley, Mertes, manager, Miles, manager, Mitchell, manager, Lord, manager, Lill, manager, D. Brown, Mooberry, coach.

Rogers 12, N. C. 7

Nosing out North Central 12 to 7, the Pirates remained in a tie for first place with Gonzaga. Rogers scored early in the contest but an N. C. touchdown in the second quarter put them in the lead. The Bucs immediately came back and scored on a long pass.

Rogers 19, L. C. 0

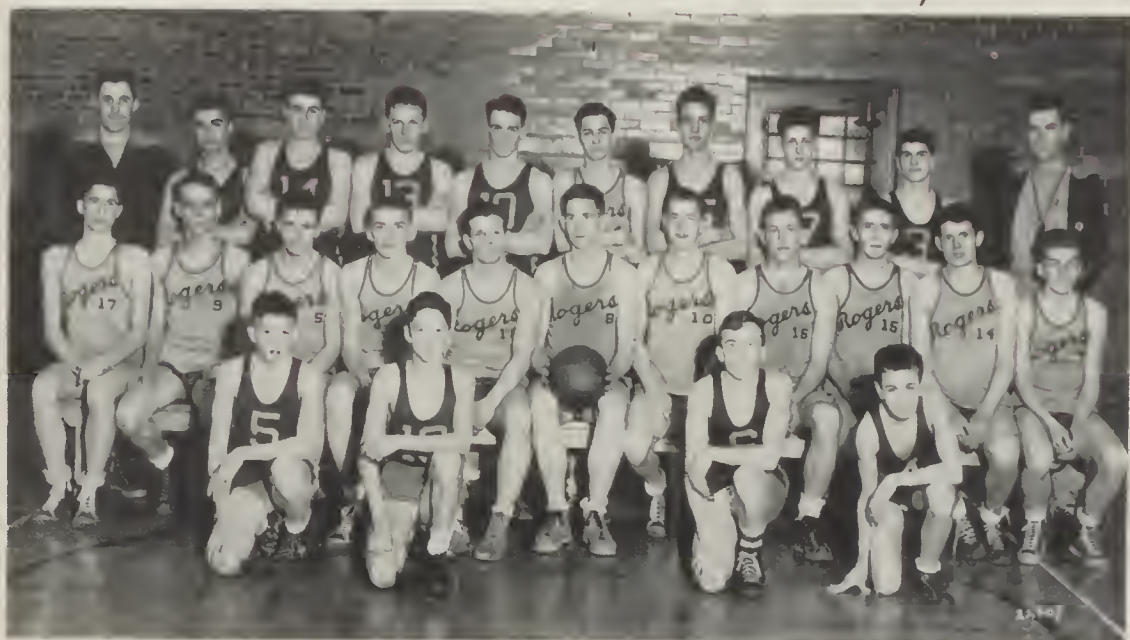

Ending the city-league season, Rogers' hard-charging gridmen pounded out a 19-0 victory at the expense of Lewis and Clark. Although the Pirates scored only one touchdown in the first half, the second session yielded two paydirt-trips with Chuck Hathaway outstanding.

Rogers 25, Yakima 13

On its only road trip Rogers outfought the Yakima Pirates to emerge victorious, 25 to 13. The Yakima team displayed an excellent passing offense, but lacked defensive ability. The game was much closer than the score indicates with Rogers scoring on passes and long runs.

Basketball Champions

First row: Wright, Logan, Fluaitt, Heidt; second row, VanHoy, Veach, Carpenter, Cook, Lowther, Allen, Bradley, C. Hathaway, Olsen, Voege, Askey; third row, Coach Ellingsen, Gulusis, Griffith, D. Hathaway, Wallace, Lollis, Buroker, Forsch, Jilbert, Coach Mills.

CITY CHAMPIONS! That was the honor that this year's hoop squad brought to the halls of Rogers for the first time in its history.

Throughout the season Rogers won seven games and lost only two; one to L. C. and the other to Gonzaga, after the Bucs had cinched the title.

The summary:

Rogers...	27	L. C.	22

June Anderson, a member of the fall team, won the city singles championship to become the first girl from Rogers to have her name engraved on the Bob Crane memorial trophy.

Willy and his mother were looking in a dentist's showcase. "Gee," said Willy. "If I had to have false teeth, I'd take that set."

**A POSITION *with*
A FUTURE**

Young people going out into the business world half trained are like soldiers without guns—they stand little chance of success.

To earn future security for yourself, to keep and hold a position today and in the postwar world, you must be proficient in your work. A few months' intensive training at KINMAN BUSINESS UNIVERSITY under fully qualified teachers, will yield big dividends.

Government offices, industrial plants, and business offices urgently need **FULLY TRAINED** stenographers, secretaries, accountants, bookkeepers, machine operators. You can help our country's war effort and provide for your own future by attending Kinman Business University.
